An order under section 41 of the Madras City Police Act prohibiting processions, etc., passed by the Commissioner of Police and applicable to the whole of the City is already in force. The Commissioner of Police had good reasons to believe that attempts might be made by certain individuals and organisations to stage demonstrations in thoroughfares and areas that adjoin the Assembly buildings, while the Legislature is in session. With a view to maintain public peace which would be endangered by demonstrations and counter-demonstrations of rival sections, the Commissioner of Police issued the special order under section 41 of the Madras City Police Act. The decorum and the orderly proceedings of the House must be protected from disturbance. No new restrictions were placed on the public; the object of passing a separate order was specially to invite the attention of the public to the necessity for a strict compliance with the order in the areas specified during the session of the Legislative Assembly.
